

The Zhai Clinic

Where conception comes naturally

70% of couples who follow our treatment programmes achieve the pregnancy they so desperately desire

The joy of finally having a much-longed-for baby can be utterly overwhelming. At the Zhai Clinic, we've been bringing joy to thousands of couples for over 15 years.

The UK's leading authority on reproductive Traditional Chinese Medicine, we use Chinese herbs and acupuncture, combined with Western medical expertise to treat men and women, with remarkable results.

Dr Xiao-Ping Zhai, founder of The Zhai Clinic was voted one of Britain's 225 best private doctors by Tatler Magazine in 2006 & 2007
